Life at its best.™

You may have seen the **Soberchillin'** posters up at school. What does it mean?

It's all about doing what you love - without alcohol. **Life at its best** doesn't shame, blame or lecture. It supports youth who choose not to drink and gives them the added reassurance that they are making the right choice. And for those youth who are struggling with the choice to drink or not to drink, they get that important nudge of support to pursue their hobbies and activities **without alcohol**.
